

This topographic map depicts the Sierra de Rubielos region, characterized by its rugged terrain and numerous peaks. The Rio Mijares flows through the western part of the area, while the Rio Hoya and Rio Palomares are prominent in the central and eastern sections. Several dams are marked, including Embalse de Valbona, Embalse de Balagueras, and Embalse de los Toranos. Towns such as Mora de Rubielos, Rubielos de Mora, and Fuentes de Rubielos are clearly labeled, along with smaller settlements like Santa Barbara and San Miguel. The map also shows various roads, including the A-232 and A-23, and a scale bar at the bottom indicating distances up to 16 km.
